

"ORIGIN® *Beyond™ Plus* is the best zirconia on the market. It **looks** as **good** as any anterior zirconia, better than e.max®, and is **strong** enough for large posterior bridges."

Jim Burke - JC'S Dental Designs LLC

Comparison of Strength & Translucency

Flexural strength and TLT* data of various dental materials.

***TLT: Total Light Transmittance (%)**

 **ORIGIN®** *Beyond™ Plus*
